Once inside your course…

1. <u>Course Content:</u> Read EVERYTHING!
2. <u>Exam Questions:</u>
a) Be sure to think about your answer before clicking the "Next" button as you <u>**cannot go back and change your answer!**</u>
b) Answer all exam questions!
3. Notice the "Save" button where you have an exam question. <u>You may save your progress here for safe keeping, but know there is an Autosave feature that will automatically save your progress.</u>

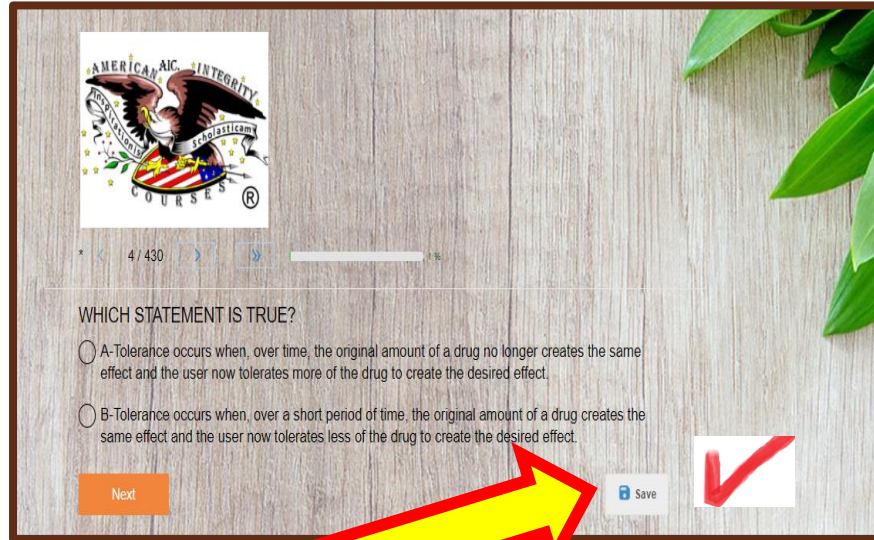

4 / 430

WHICH STATEMENT IS TRUE?

A-Tolerance occurs when, over time, the original amount of a drug no longer creates the same effect and the user now tolerates more of the drug to create the desired effect.

B-Tolerance occurs when, over a short period of time, the original amount of a drug creates the same effect and the user now tolerates less of the drug to create the desired effect.

HOW TO SAVE MY PROGRESS MANUALLY

1. Select the "save" button
   **found only at exam questions.**

2. Then select the "Save Progress & Exit" button.
   *DO NOT SELECT THE "BACK TO QUIZ" BUTTON! This will not save your progress!

At the end of your course…

1. Be sure to click the **"Submit my Answers"** Button found below.

2. Scores with 70% and above will produce a Certificate which is immediately sent to your email.

3. All questions must be answered to compute a final Score.

4. If you failed the course, please contact us at #936-333-0087 during office hours Or email us at aic.americancourses@gmail.com

*See **Admin Fee** rules for more details on how to pay For another try at this course!

READY! START!

YOU CAN DO THIS!

BEST OF LUCK!
